To

The Firms dealing in Electrical Materials.

Gentlemen,

Enquiry No. 497.

Electrical Materials required for the Engineering College Laboratory.

Please be good enough to intimate your best prices f.o.r. Bangalore and the earliest time of delivery for the materials described in the attached schedule. The quantities given in the schedule are only approximate and not guaranteed. Supplies will be drawn as and when required on indents. The prices to be quoted should therefore hold good for a period of one year from date of order.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for materials required for the Engineering College Laboratory."

This enquiry will be closed on the 31st August 1933.

BANGALORE BUILDINGS DIVISION, BANGALORE.

Notification dated 12th August 1933.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Buildings Division, Bangalore, up to 6th September 1933 (2 P.M.) for Construction of a Building for the Technological Institute, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1935.

The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, Buildings Division, Bangalore, between the hours of 11 A.M. and 5 P.M. on working days.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed both in words and figures.

4. Each tender must be accompanied by a deposit of rupees ten thousand only in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for Constructing a Building for the Technological Institute, Bangalore" in default of which, tenders will be rejected.

5. The final acceptance of any tender, will rest with the Chief Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned. ... ...

9. Percentage rates above or below the estimate rates will not be accepted.

10. No claims for enhanced rates will be entertained on any account after acceptance of tenders. The monthly rate of progress shall be Rupees ten thousand.

12. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements, quality of work, etc., the decision of Chief Engineer will be final and legally binding over the contractors.
